

## SITE COACHES – HAMILTON CITY COMBINED SWIMMING CLUBS

In a bold, proactive and exciting move, two Hamilton Clubs, each with a proud history of swimming, have agreed to combine their resources and operations across Hamilton for the good of the sport.

The decision to bring the independent swimming clubs of Ace and Hillcrest together has been a process of consultation and discussion over the last 18 months, culminating in overwhelming support of the concept.

The merger creates an opportunity to develop and deliver improved aquatic opportunities across Hamilton City and the roles of Site Coaches will be key to the success of the new Club.

With a focus on ensuring all club members achieve their swimming goals, no matter what they might be, the two Site Coaches will work alongside the Head Coach to deliver quality, engaging programmes that meet the individual needs of the swimmers, from pools at Hamilton Boys High School, Hillcrest School, Te Rapa Primary School and Waterworld,

To be involved in this exciting opportunity, the Site Coaches will be people who -

- Are experienced swimming coaches with results that back up their ability
- Are enthusiastic about the sport of swimming
- Are well organised and a positive communicator
- Are innovative, have great initiative and are forward thinking
- Have a minimum of a TOCs (Teacher of Competitive Strokes) qualification (or similar)
- Are able to deliver engaging, relative and effective training sessions that are appropriate for age and ability
- Can work well with others and build positive working relationships
- Believe in the philosophy of the LTAD (Long Term Athlete Development) model and the content of the Swimming Waikato Regional Swimming Hub programme.
- Has a valid New Zealand work visa or New Zealand residency status
