

Waikato Water Safe Facilitators

Swimming Waikato are looking for keen and energetic Learn to Swim & Water Safety facilitators to operate in Hamilton City Primary Schools.

Working in partnership with Sport Waikato & Swimming New Zealand, the role would be responsible for delivering Water Safety New Zealand's, Water Safety for Life programme. This program is aimed at teaching 5-13yr olds the skills they need to help keep themselves safe in, on and around water.

Start Date: Early February 2021

Period: School Terms 1 & 4

Approx. Hours: 25 hours per week

Full training for all facilitators will be provided through Swimming New Zealand prior to the start date, this will be mandatory for all. All facilitators will require to be police vetted before working in schools.

Facilitators will ideally possess the following:

- Previous Swim or Water Safety Teaching Experience with preschool children
- Austswim Teacher of Swimming and Water Safety Qualification or equivalent
- A positive rapport with children and school teachers
- 100% reliable and punctual
- Have excellent communication skills
- First Aid Training

For more information, please contact our Regional Hub Director
darren@swimmingwaikato.co.nz

Successful applicants will be expected to be available Monday to Friday, between 9am and 3pm during school term.
