This meet's emphasis is to provide a competition that will play a crucial part in preparing swimmers and coaches leading up to the 50m national summer competitions. We aim to provide age group & open level swimmers with robust competition.

In addition, this event will provide our top-level athletes with the opportunity to race fast and focus on areas of their swimming they wish to improve on. Finally, we aim to host a meet with a point of difference; to challenge swimmers to select non-preferred distances and strokes to strategically maximise FINA Points, to promote, celebrate and reward high individual achievement.
