DEVELOPMENT MEET

Swimming Waikato Christmas Development Meet

Venue: Waterworld Aquatics Centre, Hamilton

Date: 26-27 February 2022

Long Course (50m)

Saturday 26th Feb (Bubble3) - Warm up 2pm, Race Start: 2.30pm

Sunday 27th Feb (Bubble3) - Warm up 2pm, Race Start: 2.30pm

Session times are a guidance and may alter once all entries are in and session timelines are reported. We will endeavor to keep everyone informed ahead of time

MEET RATIONALE – This meet will offer an exciting Development Meet opportunity situated in-between the Swimming Waikato Championships. This is a great chance to finally get some quality racing in, especially with the limited competitive opportunities available and the limitations placed on even hosts.

We know these are challenging times, but we are confident we have taken all precautions to ensure a safe and enjoyable racing opportunity. Good luck to those swimmers looking to qualify for the Swimming Waikato Juniors in March!

Swimming Waikato takes seriously, the Health and Safety of its members and all those involved in Swimming Waikato Events, we therefore ask that you familiarise yourselves with our Covid-19 and General H&S protocols prior to attending.

For the latest information, please check the Swimming Waikato calendar to ensure you have the most up to date version.

The Swimming Waikato Christmas Development Meet and all future Swimming Waikato Competitions will operate under Swimming New Zealand's COVID-19 Vaccination Policy – Dec 2021

For the latest information, please check the Swimming Waikato website to ensure you have the most up to date version.

What is a development meet?

As per the [National Restructure and Competition Pathway](#) (2020), the purpose of a development meet is to provide swimmers with the opportunity to race for fun without any pressure on them to perform, and to allow the coaches to encourage skill development rather than focusing on a result.

- Development meets do not require any qualified officials and there aren't any disqualifications to be performed at these meets.
- Development meet times can be used to enter regional championships or any other level of competition and **can be used to enter national championships in 2022.**
- Development meet results *can* be used for entry for Swimming New Zealand Junior Festivals

A very warm welcome to the ***Swimming Waikato Christmas Meet***

As always, it's a pleasure to welcome clubs and volunteers from our neighbouring regions, thank you for making your way over and for supporting this event.

This weekend's competition has gone through a number of transformations since its original concept back in 2021, such changes coinciding with the ever-changing Covid-19 guidelines. As frustrating as this has been for Swimming Waikato and our extended swimming family, the opportunity to provide competitive opportunities in a safe environment has always been our guiding objective.

Thank you to our team of volunteers and officials for your support of this meet, your continued backing is vital for events like these. Also a huge thank you to Teamline our sponsor; make sure to visit their pop-up stall during the event for some great deals.

I wish all competitors the very best of luck over the weekend.

Please ensure you are aware of all meet guidelines ahead of time and that you follow all Swimming Waikato and Waterworld staff directions.

Whatever it Takes

IMPORTANT INFORMATION – PLEASE READ

Swimming Waikato Christmas Meet guidelines 26-27 February 2022

Entry Points and Exiting

- Entry is through the backdoors by agenda/kitchen room at the side of the building. The Vaccine pass will be scanned, and swimmers can enter safely without mingling with the public. There will also be a QR code provided at entry points for sign-in and if you do not have a QR Code scanner app, then you can enter your details manually on the sheets provided. Please line up at the door and keep your 1.5 metre distance from each other. Please do not enter in groups. Once swimmers have had their vaccine pass scanned and have scanned the QR code or manually filled out their details they can enter the building. Technical Officials/Coaches/Team Managers and Duty Club volunteers need to be checked off against a list as well. Swimmers can go in first to get ready for warm up.
- The Exit point is through the doors by the toilets under the grandstand to avoid crossover from the different bubbles. The faster each bubble exits the faster the next bubble can enter as each bubble will have to exit the facility completely prior to the next bubble coming in.
- All swimmers will be required to wear a mask on entry and exit to the facility. **There will be no warm down at the end of the meet session, only during the meet session to make sure the next bubble can get into the facility as soon as possible.**

Mandatory mask-wearing

- Please wear a face mask in all areas of the Waterworld facilities, unless you are swimming, exercising or at the cafe.

Limits on the number of people in facilities

- There is a 100 people limit in the 50m pool hall therefore we have no spectators to come in with the swimmers unless the swimmer requires assistance. Please let us know of this in advance. This is to control the foot traffic in the 50m pool hall.

Toilets and Changing Rooms

- You only have access to the toilets and changing sheds under the grandstands.
- All swimmers/officials/volunteers/coaches using the toilets/changing sheds will be required to wear a mask for the duration of the use of the amenity in question.
- We recommend that swimmers wear their race togs on entry and exit to reduce foot traffic and congestion in the bathrooms as well as avoiding a delay in the next bubble being able to enter.

Managing crossover with public

- The remainder of the facility, including the cafe are off limits. If you want to use these facilities, you will need to enter via reception and pay any entrance fee required by Waterworld.
- No public will be allowed into the 50m pool hall during the duration of the meet.

Covid-19 response

- Please do not come to the meet if you feel unwell, are a close contact of a household member with Covid or are waiting on a Covid test result.
- We will do everything possible to mitigate our chances of becoming a location of interest by cleaning frequently used service areas, have hand sanitiser available, require everyone to wear a mask and social distance when outside the pool, provide adequate ventilation and ensuring contact tracing and MyVaccine pass requirements are adhered to.
- If we are made aware by either the Ministry of Health or by someone at the meet that we have a positive case at our event and are a location of interest, we will advise the team manager of the club in question if it is a swimmer and with the help of the club identify any close contacts. We will be in phase 3 at this meet, which means that only Covid cases, household contacts or household like contacts will need to self-isolate. However, we will still be advising people if they are a close contact at the meet to make sure that they will self-monitor for symptoms in the coming days. This will be the same for any volunteers/staff/coaches and team managers poolside. Please take note of your surroundings and who is near you at the meet. We will work closely with the person in question/team manager to identify any close contacts.

The Health and Safety Manager at the meet is Darren Ward. 0277766787.

Food and beverage:

We will not be serving food pool side and would suggest for timekeepers and other volunteers to bring their own water bottles.

Coaches/Team Managers:

We ask that coaches/team managers do their utmost to ensure that your swimmers are following all guidelines to the best of your ability. We also ask that you follow all guidance from the facility staff and Swimming Waikato. We will have pb ribbons available for swimmers, who pb during the meet. We will advise team managers/coaches how to obtain these during the session to give to the swimmers.

Seating:

There is plenty of space in the stands to spread out, so we ask you to at least have one seat between each person and at least a couple of seats between you and other clubs. This reduces the risk of transmission and for becoming close contacts. We will make efforts to mark out areas for your convenience.

Scratchings:

To reduce movement of people around the pool and keeping our control room staff and technical staff safe, there are no scratchings. If a swimmer is not behind the blocks at the required we will assume that they have scratched.

EMERGENCY & SAFETY PROCEDURES

Under the Health & Safety at Work Act 2015, it is necessary for us to advise you of the hazards that may affect you whilst attending a Swimming Waikato Meet.

[Swimming Waikato - Health & Safety Video - YouTube](#)

Notified Hazards -

Floor surfaces may be slippery when wet. *No running.*

Stadium concrete & seating may be slippery when wet.

Caution around electronic cords (Starting, Timing & Entertainment equipment)

Please advise the Referee or pool staff if you observe a potential hazard.

Please ensure any young children are aware of these hazards.

This meet will include a sequence of flashing lights that may affect those who are susceptible to photosensitive epilepsy or other photo sensitivities

In General -

Please familiarize yourself with the pool layout, exits and equipment.

And please take time to discuss with your Club how you will react and look after your Club members in the case of an emergency.

In an emergency -

If you are required to contact Emergency Services, the address directions are:

“50m indoor Pool Waterworld Garnett Avenue Hamilton”

Please note that Pool Staff are trained in First Aid & CPR.

For evacuation -

Stay Calm _____

Three (3) loud blasts on the whistle by the Referee shall clear the pool.

Leave the pool complex as directed by Pool Staff or Swimming Waikato Technical Officials.

Assembly locations are dependent on the exit used—

Side door—assemble opposite the bike racks towards the front of the building

Lido door — assemble out towards the boundary fence

Main front doors—assemble opposite the bike racks

Assist Team Managers and Officials to evacuate the swimmers safely.

Conduct a roll call to account for all persons (Children and Adults) in **your** Club.

Notify the relevant emergency Services as required.

During the Meet -

Please take care to ensure the health and safety of yourself and others. For more information, please follow a link to the Swimming Waikato [Health & Safety Video](#)

Please leave the pool in a tidy state by properly disposing of all litter; please recycle where possible.
