Over a month ago Rylee's life was turned upside down when she was diagnosed with an aggressive form of bone cancer called an Osteosarcoma in her proximal humerus. In the 9 weeks since Rylee first felt a niggle in her arm the tumour has taken over her shoulder and upper arm

Rylee was born with a rare genetic condition called Tuberous Sclerosis Complex. Rylee currently has lesions on her Brain, Heart, Kidneys and Skin. She requires ongoing medical treatment and screening to ensure that none of these growths are impeding her daily function, health and wellbeing. Swimming has become the one thing where she feels she is on a level playing field

Rylee now faces a nine month battle to save her life and her arm from the aggressive tumour.

Her mother and father, Paul and Amanda are based out of Ronald McDonald while testing and treatment begins to shrink the tumour so they can then try and save her arm

A donation page has been set up to support Rylee and her family and we would strongly encourage any support you can provide, link below ↓

Swimming Waikato will also be accepting donations at the Championship Meet.
